Promoting Delano's past, present & future

Howdy,

The Fall Mixer at the **Burn Out Bar & Grill** was really a fun time. **Crystal and Richard** served up some wonderful appetizers - *the Chicken Fried Bacon was awesome!* Some of us stayed after the mixer and had dinner - I recommend the Chicken Fried Steak.

The **Visitors Guide** is finished and looks great. Over 3/4 of them have been distributed among Visit Wichita, downtown hotels and advertisers. If you would like some to distribute in your store, contact **Jim @ 706-6283**.

Only 59 businesses have taken advantage of the free listing in the **Online Business Directory** on HistoricDelano.com. The site gets about 2,500 hits a day - and in March that more than triples!

All Delano businesses are eligible for a free listing. If you haven't registered yet, please do. If you have, please check your listing to be sure your hours and description are correct.

We submitted two grants to the **Knight Cities Challenge** - one for **Chisholm Trail Park** and the other for **Junction Town Park**. These are the two parks which will anchor each end of the planned **Chisholm Trail Parkway**.

In City news: The City will be replacing missing trees along Douglas Ave. this winter. A pole sign for **WaterWalk Apartments** has been approved and will be going up soon. **Wichita Ice Center** will also be erecting a large sign.

Finally, Delano United's Annual Planning Meeting is **January 12th**. We will be planning the Delano calendar for 2016. Please mark your calendars.

Have a great holiday season! - Jim & Nancy
